Translation from the Hungarian Emigre Newspaper HUNGARIA

1. The attached is a translation forwarded to us from the ^{LFP, MUNICH} through the liaison officer to this office. It is practically impossible to give an accurate evaluation to a report of this nature.

2. As you probably realize, the ^{Publication - Germany} newspaper HUNGARIA is an emigre newspaper published in Munich. Its editor, (Dr) Zoltan MAKRA, has recently come to our attention in a new CE case, UJ-BROILERY #305. The subject of the case was told to determine what MAKRA's activities were at the present time.

3. We have had other scattered reports regarding the paper, none of which are very definitive. The reports do, however, leave the impression that the paper is not the least bit reserved when it comes to beating the emigre drum, right or wrong.

4. The report, then, is for your information and any action you might wish to take. We would appreciate hearing anything you might uncover.
